The Christ-Empowered Entrepreneurs Circle

Here it is—a business coaching program where your soul is nourished, your strategy is Spirit-led, and your growth is no longer up to you alone.

You've been doing everything you know to walk in your calling, but the path has felt lonely, unclear, and heavier than it should.

That's about to change!

Here you've found a sacred space where you're not just trained, but seen, supported, and Spirit-led so you can intentionally build what God has called you to create.

Welcome to The Christ-Empowered Entrepreneurs Circle—a high-touch coaching and training experience for faith-driven women who are done striving alone and ready to walk boldly in God's power and purpose.

Inside this intentionally small and Spirit-led coaching community, you'll receive weekly training and group coaching, quarterly 1:1 strategy sessions, and full access to my most powerful business-building and soul-aligning resources:

The Christ-Empowered Entrepreneurs Intensive equips you to transform your mind, heart, soul, and habits so your work stays in alignment with God and flows with the peace and power of Christ—instead of the striving of this world.

The Christ-Empowered Planning System equips you with Spirit-led tools and project management skills to ensure your work is aligned with God's will, led by Christ's wisdom, and focused through the power of the Holy Spirit.

A deeply committed circle of business sisters who not only pray for and encourage one another—but also collaborate, provide meaningful feedback, and celebrate every Spirit-led step forward.

You'll no longer wonder if you're doing enough—or doing it right. You'll know you are following the Father's will, partnering with Christ and Holy Spirit daily, and experiencing consistent momentum forward in the work God has called you to do through Christ.
